In humble service to God, St. John Neumann Catholic School in Maryville, Illinois, is seeking a visionary, faith-filled leader commencing with the 2022-2023 school year.

### **About Us**

Located 15 miles east of downtown St. Louis, St. John Neumann Catholic School was built in 1978 as a tri-parish school for the Metro-East communities of Troy, Maryville, and Glen Carbon. It is fully accredited Pre-K through Grade 8 and offers numerous growth opportunities for our students, including: robotics, drama club, music, science lab, technology, full-size gymnasium, on-premise athletic fields, and dedicated chapel for daily prayer. Students score consistently above the national average and benefit from strong family and parish support.

### **Ideal Candidate**

The ideal candidate will have a deep appreciation for the unique value and joy a Catholic education brings to a child, and the ability to create a high expectations environment for teachers, students, and families. Additionally, this individual will be expected to bring energy and enthusiasm to the school's rigorous academic standards, sound financial policies, extracurricular activities, community service projects, fundraising efforts, technology initiatives, and enrollment goals. As a role model of the vision and mission of St. John Neumann Catholic School, the person must be a practicing Catholic and a person of integrity, worthy of leading the finest elementary school in the St. Louis metropolitan area.

### **Qualifications**

While administration experience is preferred, this person must possess a Master's degree in Education Administration and five years of classroom teaching experience. Applications must be submitted by February 27, 2022. We look forward to hearing from you.
