Reverend Donald Patrick Gibbons
 St. Cecilia Parish
 155 North Main St.
 Glen Carbon, IL 62034-1600

Dear Father Gibbons,

I am writing in response to your April letter requesting permission to conduct a feasibility study for an elevator project at St. Cecilia Church. I understand you also would like permission to interview for an architect for this project. I note you have been in contact with Greg Fleck regarding this elevator project and your recent Capital Campaign to fund this project.

I grant permission for you to conduct a feasibility study for an elevator project at St. Cecilia Church in Glen Carbon, to include interviewing architects for this project. Once you have chosen the architect, you will need to seek approval to hire the architect and develop conceptual plans for your feasibility study. Please work closely with Greg Fleck, who will assist you in following the diocesan approval procedures for your project.

With every best wish, I remain

Sincerely yours in Christ,

+ Thomas John Paprocki

ST. JOHN NEUMANN CATHOLIC SCHOOL

St. John Neumann is pleased to offer **CAMP INVENTION** again this summer! Camp Invention will take place the week of June 17-21 from 9:00am-3:30pm.

What is Camp Invention?

Camp Invention is one week in the summer where your child's creativity, innovation, and problem-solving skills are challenged and developed in fun and exciting ways. The top priority is to inspire future innovators and build their confidence in the natural ability to dream and create.

Who is Camp Invention for?

Any child entering kindergarten through 6th grade! The curriculum is designed with each child in mind, featuring fun, age-appropriate activities.

Why should I consider Camp Invention?

Camp Invention is the only nationally recognized, non-profit elementary enrichment program inspired by the brightest thinkers around, the National Inventors Hall of Fame Inductees.

2019 Program

Every year, the education team and Hall of Fame Inductees collaborate to build a brand-new Camp Invention experience for your child. The theme is **SUPERCHARGED!** From coding a remote controlled bot, to designing underwater equipment, there is something for everyone!

Totus Tuus Summer Youth

Discover Totus Tuus the week of July 14 – 19!

If you've never experienced Totus Tuus before, come discover for yourself; and if you've experienced it before, come back as we dive into a new theme for this summer—the Sacraments and the Sorrowful Mysteries.

This week-long parish mission program is for youth entering 1st – 12th grades, but the entire parish can come to know more about this catechetical program through attending the parish potluck and/or by serving the young adult Totus Tuus team who spend the week here serving our youth.

For the youth, save the date and look for registration materials to come out later in June. The 7th – 12th grade program will be held from 7pm – 9pm every evening beginning Sunday, July 14 through Thursday, July 18. The 1st – 6th grade program will be held from 9 am – 2:30 pm every day beginning Monday, July 15 through Friday, July 19.

For the entire parish, mark your calendars for the parish potluck on Wednesday, July 17, where you can meet the Totus Tuus young adult team members, and learn more about Totus Tuus. Also, we are in need of parishioners to provide the following for the young adult team of 4 (usually 2 men & 2 women, but may be a 1:3 ratio this year):

- A place to sleep and have breakfast for the male and the female members of the team. The males stay at one house and the females at another. Please contact Mike Spillers at 406-2074, if you are interested in this ministry for the team.
- Lunches for the team. Contact LeAnne Scheibal at the Parish Office if you can provide a lunch at noon on any day Monday – Thursday. They eat their lunch in the Parish Hall with and while the children eat their lunch during the daytime program.
- Dinner for the team. Contact LeAnne Scheibal if you would like to host them at your home or take the team out for a meal. Dinners are needed Sunday, Monday, Tuesday, and Thursday evenings. Please note that they usually need to be on the road by 6:30 to return to the parish for the evening program.

The Congregation of Holy Cross has been serving the Catholic Church for over 175 years. A strong commitment to mission has been a part of Holy Cross' charism from its inception. The priests and brothers of Holy Cross, inspired by our founder Blessed Basil Moreau, work with missionary zeal in 16 countries, on five continents.

Since 1923, the Holy Cross Mission Center, sponsored by the United States Province of Priests and Brothers, has provided education, parish ministry, religious formation, healthcare, care for the poor, especially the most marginalized – women and children, as well as clean water and environmental protection projects - in Bangladesh, East Africa, Chile Peru, Mexico and Haiti. Far more than 150,000 people in these countries are helped by Holy Cross every day. However, as you will hear from Rev. Thomas Streit, C.S.C., a Holy Cross priest, on the weekend of June 15th – 16th, so many of our international brothers and sisters are still in need.

Learn how you can support the Holy Cross Mission Center and help meet the daily needs of some of the most vulnerable in our world, many of whom live in a poverty we cannot imagine. You can learn more about the Holy Cross Mission Center by visiting www.holycrossmissions.org.
